THE 1952

Anchor

SOUTHPORT HIGH SCHOOL
INDIANAPOLIS - INDIANA

THIS IS THE LIFE AT

This is the life unfolded in pictures and brief resumes that we have experienced during the past four years. Thus in this 1952 Anchor, we have depicted the triumphs, the defeats the trials the achievements the sports the activities the associations the memories that have endeared us to our school.

In these memoirs and pictures
we have briefly catalogued the
events that have stood upper-
most in our minds at Southport
High School.

SOUTHPORT HIGH SCHOOL

Dave Haviland, president of the junior class, crowns Joan Eberhart-'51, queen of the Junior-Senior Prom. Making up the queen's court are Sue Orme, Jane Nelson, Margie Christie, and Joan Miller.

When We Go Formal

Mr. Leedy, with the help of Margie Christie, president of the G.A.A., issues the outstanding athletic awards for each sport at the May Dance.

At Our Last Dance

The Girls Athletic Association sponsors the majority of the school dances of the year. The first is the Sweater Swirl in which the football awards are given and Mr. and Miss Scrimmage are crowned king and queen of the football season. In March all of the Irish come out for the St. Pat's Jig. Basketball, track, baseball, and wrestling awards are given at the formal, G.A.A. spring dance in May which is the last dance of the year.

During Our Working Hours

Hard at work are these students in the advanced typing class. These girls are learning short-cuts in office work and are preparing themselves for future secretarial positions.

Carol Jackson, sophomore, shows Miss Penrod, head of the Biology Department, the proof of her skill as a "bug hunter."

Deep concentration is required on the part of these students in Mr. Ray Linson's mechanical drawing class.

Our Most Traveled Scout

One of our seniors, Jack Whalen, attended the Boy Scout Jubilee at Bad-Ischl, Austria. During his trip he saw various countries such as Algeria, Italy, France, Germany, Switzerland, and Austria. He has graciously shared his experiences with the other students by showing slide films to several clubs.

Our Deans

During our life at Southport High School, we have come to recognize Miss Penrod and Mr. Kellam with increasing esteem. They bridge the gap between the student body and the administration and they are always willing to assist the students with their problems whether they are personal or scholastic.

We feel that Miss Penrod is outstanding in her field since she is an executive board member of the eleventh district and chairman of the Central Division of Indiana State Teachers Association. She is also the second vice-president of the Indiana Classroom Teachers Association.

Oh, How We Danced

Dancing on the stage at the lunch periods was enjoyed by many students throughout the year. Our 1952 Prom, given by the Junior Class in honor of the Seniors, was held at the Marott Hotel in the lovely Marble Ballroom.

At the left are super-salesmen Jo Kelly and Harry Beck. These hard workers were the winners of the magazine drive. Due to the combined efforts of all the students, the Magazine Drive this year went over the quota.

The Voice Of The Students

The student organization is composed of the class presidents and a representative from each home room. To be elected as the home room representative the student must be above average in scholarship, and, be able to speak before groups without embarrassment and preparation. His previous citizenship record must also be satisfactory.

This body is a service organization and conducts such worth-while activities as the magazine drive and the Community Chest Drive. This group also works for better civic conditions within the school such as conduct at convocations and during Pep sessions. Mr. Leedy is the Sponsor with Carl Lasiter as President; David Haviland, vice-president; and Sandra Brown, Secretary-Treasurer.

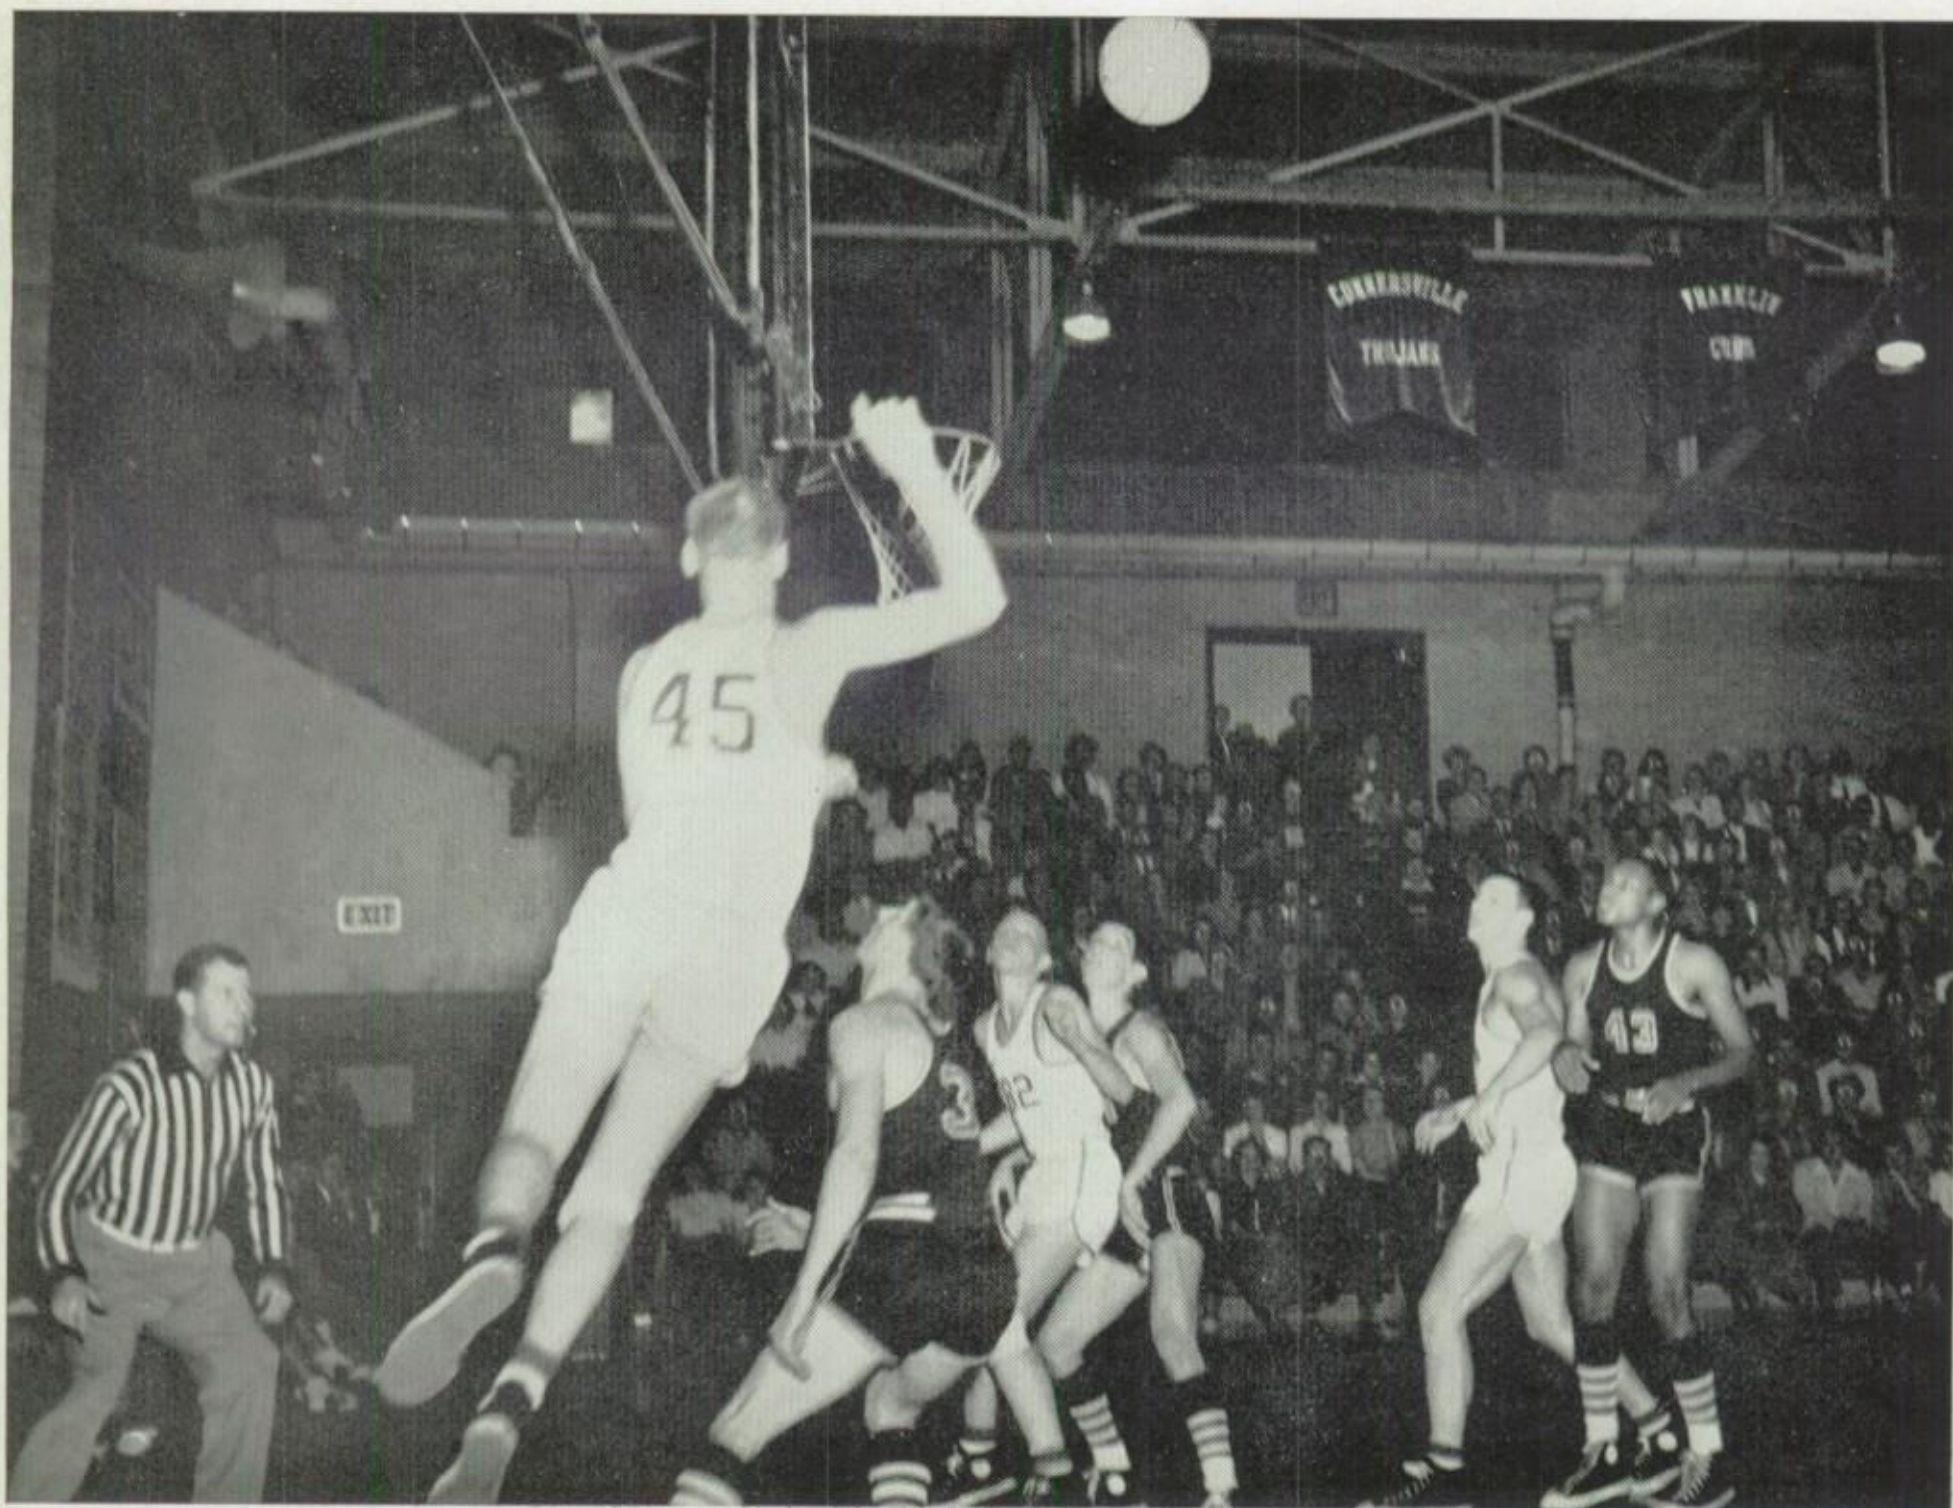

In Our Lighter Moments

"Meow!" Dudley Milley as Davy torments his girlfriend Maudie, played by Jo Ann Elsea in the senior play, "Men Are Like Street Cars." Older sister Sylvia, (Marilyn Hohn) and her beau Jerry, (Bennie Wise, look on with amusement.

SPORTS AND ACTIVITIES

Sports are an integral part of Life at Southport High School. In this action shot Jim Baker is making a basket for the Cardinals.

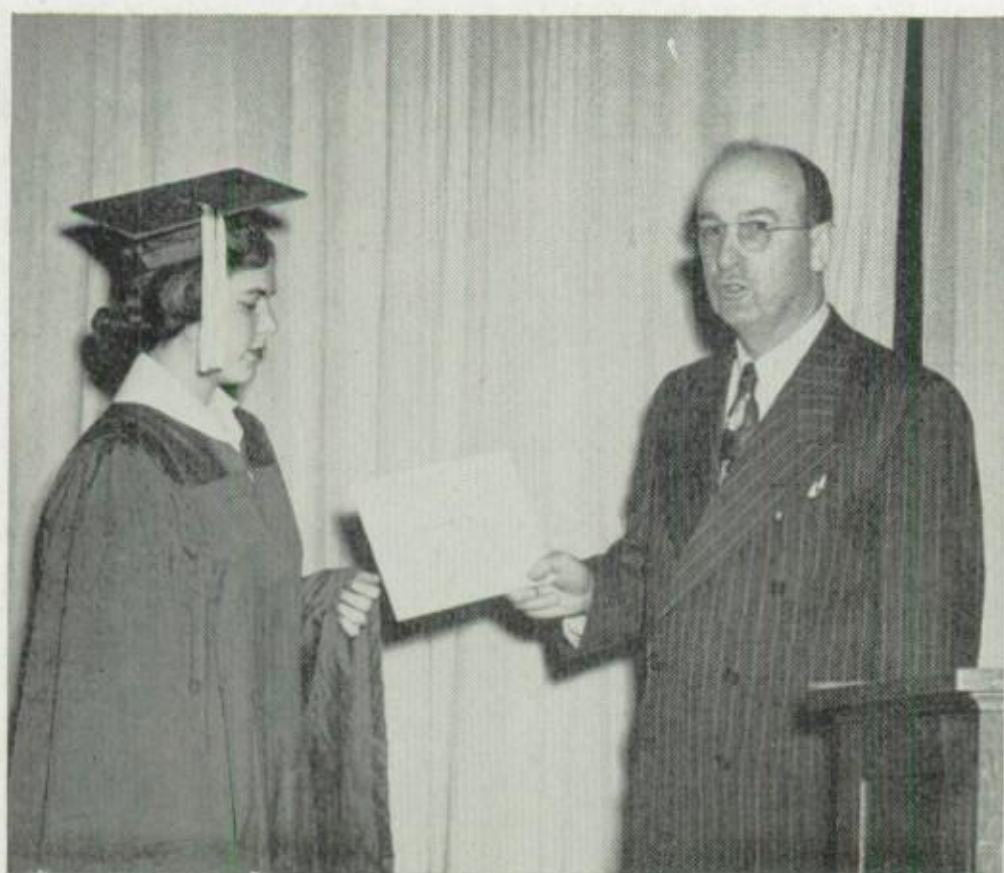

Behind The Scenes

Behind the scenes at senior play rehearsal can be seen many interesting incidents. Here Joan Miller, Jane Nelson and Pat Turner seem very intent on getting that much needed "after-school" snack. Nancy Kortepeter and Bennie Wise look on with amusement.

A scene from last year's operetta, "Pirates of Penzance," shows the dramatic talent. Shirley Reed and Glen Hager played the leading roles in the operetta.

Mrs. Kathleen Ritchie, director of the junior play, "Cheaper by the Dozen," coaches Jack Whalen, Patty Kriner, and Sue Dyer in their roles as Mr. and Mrs. Frank Gilbreth and daughter, Anne. This play was a story of the Gilbreths and their twelve children who were all under the influence of their efficiency expert father.

Our Valedictorian

Carolyn Nierman was chosen as this year's class valedictorian because of her high scholastic ranking for the four years of school. Carolyn ranks first in a class of 150 students. Here with Mr. Leedy she receives her diploma.

WHEN WE BECAME PROUD SENIORS!

When we received our caps and gowns we realized that we have finally become proud seniors. We know that some will go on to college to further their education; while others will go into service or into work in diversified fields.

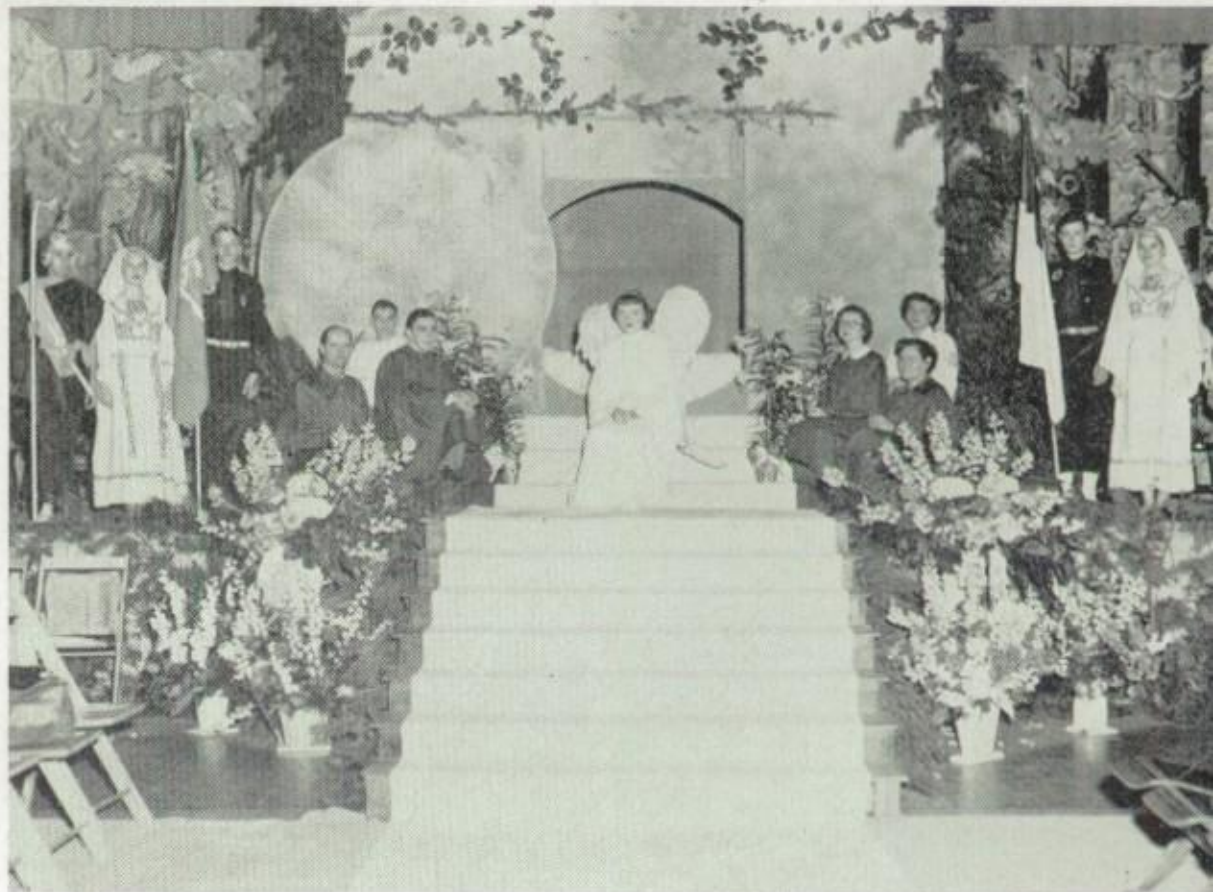

We reflect with a little sadness in our hearts as we march to the music of "Pomp and Circumstance," that this is the last time we will be together as a class. Four years of association with one another has made an indelible impression upon us.

Our Life During The Holiday Seasons

One of the most beautiful scenes of the community during the holiday season is the Christmas decorations around the high school. Recordings of Christmas carols and stories were played in the evenings for the enjoyment of all.

The religious highlight of the school year is the beautiful and moving Easter Sunrise Service. Marilyn Hohn has portrayed the angel for the past four years.

AND THEN THERE WAS THE EXCHANGE STUDENT

"I liked Southport from the first minute and quickly got acquainted with everyone. I think I couldn't have come to a better school. Everything was entirely different for me and I had to learn many new things, but the kids were real friendly with me. I think clubs at school, convocations, and even pep sessions are good things. In the long run, I think all school activities make school life more interesting and more enjoyable to the students. It is a wonderful thing that the school is not only an institution for mere mental instruction and education, but a place which has to offer much more."

Mrs. Betty Stevens is the very capable secretary of the school. She can be found almost every period directing the affairs in the office.

Better Late Than Never

Newcomers to Southport High School this year were: Freshmen: Martha Burpo, Nina West, Bobby Parker, Margaret Gasper, John Kelly, Gracie Mooney, and Pat Brown. Sophomores are: James Harrison, Josephine Mozee, Helen Townsend, Roberta Anderson, David Guilkey, Earline Tucker, Carol Webster, Mary Noah, Rosella Nelson, Gladys Cline, and Charles Steinhauer. Juniors are Jo Ann Tarter, Joan Hoagland, and Betty Lee. Betty Harris returned to the Senior class.

Some of these students are pictured at the right.

ADMINISTRATION

Our life also includes the life of the faculty. Through their untiring years of service and the execution of their many duties they have become greatly devoted to our will. They guided us as freshmen and now acknowledge our farewells with words of wisdom and encouragement. The senior class gratefully thanks this faculty, those present and absent, for its years of education which will always prove invaluable.

Mr. C. Calvin Leedy,
Principal of
Southport High School.

Administrates Our School

As the principal and progressive leader of Southport, principal C. Calvin Leedy forms a strong bond between administration and the student body. Administrative duties draw heavily on his time and energy but he is never too busy to have a private conference with some student or to attend any activity of the school. Being a man who achieves, he has helped uh to achieve and to remain a member of the North Central Association.

OUR TRUSTEE

Under the progressive administration of Nelson P. Swift, Trustee of Perry Township, Southport is erecting the much needed Junior High School. He is building the school so that more rooms may be added to this project "A" which contains twenty-one classrooms and a cafeteria capable of feeding four hundred at one time. This building will be ready for occupancy by September 1953.

When the final \$2,000,000 project is completed in perhaps six to eight years, there will be four buildings; a classroom building, cafeteria, a windowless audio-visual education building, and the gym.

With foresight and unfaltering devotion the conscientious Mr. Swift has directed the school along a road of growth and achievement as manifested by this expansion plan.

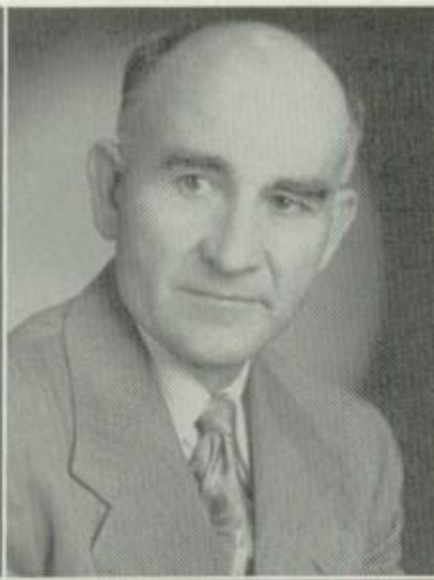

A break for us was when school was dismissed on September 29, 1951, for the breaking of the ground for the new Perry Township Junior High School.

Snapshots of Our Social Life

Our senior year seems to be a number of various activities. It seemed as if there was always something for us to do, and never enough time to do it.

JUNIORS

On Our Last Lap

Among our many activities as juniors were planning the Prom in the Marble Ballroom of the Marrott Hotel, choosing our class rings, and the fantasy, "Dear Brutus." Our very capable class officers for the year were; Ronnie Mack, president Clifford Griesemer, vice-president; Pat Ham, secretary-treasurer and our sponsor, Mrs. Betty Walsman.

ACTIVITIES

Varied activities, academic and social mean Life at Southport High School. In these following pages, we are presenting a few glimpses as we observed them during the year of 1952.

Our Club Life

**MASK
and
GAVEL**

**LIBRARY
CLUB**

The Mask and Gavel Club grew under the efficient leadership of Mrs. Ritchie, and now continues to prosper under the supervision of Mr. Jett.

This club is organized for people who are interested in dramatics and speech work, and who are willing to sacrifice a little leisure time in order to provide entertainment for the programs.

One can gain membership into this club by giving a platform performance before the club members.

The officers for this year were: Bob Cameron, President; Bob Theil, Vice-President; Joan Miller, Secretary; Margie Davis, Treasurer; and Mike Sweeney, Program Chairman.

Shown in the library are some members of the Library Club.

Girls' Organizations

One of the largest organizations in the school for girls is the Senior-ority. Underclassmen girls look forward to the time when they will be eligible for membership and may take part in the interesting meetings. Senior-ority officers are shown here as they appeared at one of the meetings.

A group of teachers' secretaries are shown here as they go about some of their duties. The secretaries' chief occupations are to run errands for the teachers, type tests, and run off stencils.

Club Life

FUTURE TEACHERS CLUB of AMERICA

The William Lowe Bryan Chapter of the national organization of the Future Teachers of America is a club that has recently been formed at Southport. Mrs. Jessie Copsey is sponsor. Anyone interested in teaching as a profession is eligible for membership in the club. The purpose of the club is to cultivate a wider interest in teaching and present to its members a true picture of all types of teaching. The officers for the year were: Jo Ann Elsea, President; Carolyn Nierman, Vice-President; Bertha Davidson, Secretary-Treasurer; and Janet Aufderheide, Program Chairman.

PAGE and CHAPTER CLUB

Organized in 1948, the Page and Chapter Club has grown to over 55 members. This club, under the sponsorship of Mrs. Betty Walsman, discusses many types of literature including plays, movies, magazines and dramatic readings. Included this year were talks on Alaska, Germany, France, and many foreign countries. Officers are: Charlene Shay, President; Don Jones, Vice-President and Program Chairman; and Barbara Hibner, Secretary-Treasurer.

SOCIAL CLUB

The charter members of the Social Club are the seniors of 1952, who were the first freshmen to have any club in the school.

Under the sponsorship of Mrs. Eleanor Guyer and Mrs. Betty Stevens they have the opportunity to participate in folk and ballroom dancing, to learn etiquette for class parties, dates, dances, and dining. Harry Thompson is president; Stanton Pearle is vice-president; Pat Young is secretary-treasurer; and Linda Ulrey is program-chairman.

SPANISH CLUB

Talking together are the **Senors** and **Senoritas** of the Spanish Club. They study conversation during their meetings under the capable leadership of Mrs. Rosalind Meek, Spanish teacher. Bob Weddle is President while Phil George is Vice-President and Jane Nelson, Secretary.

Boys' Clubs

HI-Y

One of the activities conducted by the Hi-Y this year was the paper drive held in the fall.

MODEL CLUB

A very active hobby club is the Model Club, sponsored by Mr. Ray Linson. The boys in this group use their leisure time to build and work various kinds of models. They trade experiences during their club meetings.

TRAFFIC CLUB

Through thick and thin, rain or snow, they're on the job. Yes, our faithful traffic boys are the ones we should really thank, because of all the trying times they go through at every home game. Have you ever tried to direct people where to park their cars? If not, ask either Marlin Patterson or Bob Royalty, Captains of the two squads, they have had plenty of experience.

JUNIOR RED CROSS

An organization whose theme is **service** is the Junior Red Cross. This group collects money from the student body and uses it to buy small articles to fill boxes for the needy of Europe and Asia. Jr. Red Cross members also serve in the Blood Center maintained by the Red Cross.

LATIN CLUB

Saturnalia, Florela, Valentine, and Ides of March may mean nothing to you, but to Mrs. Majors and the Latin Club they are the celebrated days of Christmas, Flower Day, Valentines Day and March 15.

The objective of the club is to increase the knowledge and interest of the students in Greek and Roman civilization. Their programs consist of myths, songs, plays, and games.

The officers include: Joachim Baer Pontifex Maximus; Wilma Ebert Aedile; Joanne Sweeney Quaestor; Fred Kasey Consul; Helen Harris Pro Consul; and Delbert Wilsey and Esther Moeller Program Committee.

LETTERMEN'S CLUB

The Letterman's Club is made up of those boys who have shown outstanding ability in sports and have received as awards the block "S" sweater. It is not compulsory for a boy earning the "S" sweater to join the club, but there are very few who have passed up the opportunity to join, for it is through the lettermen and the sports of Southport High School that the pupils get their outstanding spirit. One of the important activities of the club is ushering at the games. Jewell Young is sponsor of the club.

MATH CLUB

A newly organized club of this year is the Math Club under the sponsorship of Mrs. Eleanor Guyer. Two years of math are required to belong to this club in which they discuss and exchange new ideas. A ping-pong tournament was sponsored by this club this year. Officers for the year are Kenny Harmon, President; Bob Eldridge, Vice President; Dudley Miller, Secretary; Jack Wilson, Treasurer; Marlene Sterling, Program Chairman.

SECRETARY'S CLUB

Because of lack of school space, a complete secretarial course is not offered here at Southport. However, girls need to know the different duties and courtesies of a secretary, therefore the Secretary's Club has been organized.

Mrs. Janert instructs the girls on the use of telephone and telephone courtesies, office duties and so forth. The Club has had several people from different businesses explaining the do's and don'ts of a good secretary.

The officers presiding are Beverly Brunnemer, president; Lois Rosebrock, vice-president; Charlene Heeringa, secretary; and Joachim Baer, treasurer.

TEACHERS' SECRETARY

Students who have completed at least one year of typing are eligible to become a teacher's secretary. A secretary's duty is to aid the teacher in such things as running off tests, doing errands and other small jobs.

F. B. L. A.

The Future Business Leaders of America was organized in Southport in 1945. It was the 2nd chapter chartered in Indiana and the 77th chapter chartered in the nation. Students must have a C- or above average in business subjects to be eligible for membership. Each year six sophomores who rank very high in their classes are chosen to enter the club by Mrs. Janert and Mr. Miller, co-sponsors. Some of the many activities are, skating parties, outside speakers, and the annual spring event.

The 1951-52 officers are Joan Miller, President; Carolyn Cato-bius, Vice President; Marilyn Hohn, Secretary; Lois Rosebrock, Treasurer; Claris Williams, Reporter.

SENIOR-ORITY

Four meetings of the Senior-ority are held each year which are the initiation of new members, Mother and Daughter Meeting, Senior Recognition, and an all girl convocation.

This club is for junior and senior girls and is closely related to the Hi-Y Club for boys. Its purpose is to develop the physical, mental, and spiritual sides of each girl's personality and character.

Miss Blanche Penrod is the sponsor of Senior-ority.

Officers for 1951 were Joan Eder, president; Bertha Davidson, secretary; Marilyn Weinke, vice-president; and Judy Martin, treasurer.

LIBRARIANS

The Library Club consists of student assistants to the librarian and other girls who are interested in reading good books. The club's activities included going to a State Conference and sponsoring a Book Week convocation.

Under the leadership of Mrs. Alice Black, sponsor, and officers Carolyn Nierman, president; Shirley Hawkins, secretary; and Barbara Hohn, program chairman; they have book reviews, supervise contests on books and examine new books.

Future Farmers of America

A very active club at Southport is the Future Farmers of America. The boys in this organization, under the leadership of Mr. Earl McCormick, have made quite a name for themselves at various judging contests. The officers include: Leroy Murphy, Dave Haviland, Henry Bodenreider, and Ronald Jarrett.

HI-Y

One of the most popular and useful organizations for boys in the school is the Hi-Y Club. The purpose of this club is to create, maintain, and extend throughout the school and community the high standards of Christian character. It has been successful in helping boys to achieve a more Christian way of living through its efforts.

Some of the boys are shown here with their sponsors, Mr. Liechty and Mr. Helman during the paper drive conducted last fall. The Senior Club officers are Neal Fisher, President; Devone Wetzel, Vice President; Walter Tomamichel, Secretary; Pat Shine, Treasurer; Ralph Robertson, Chaplain; and Bob Miller, Sergeant-at-arms.

The Junior Club officers are David Need, President; Tom Dunham, Vice President; Bob Kenniger, Secretary; Myron Barnard, Treasurer; James Henry, Chaplain; Jack Salz, Sergeant-at-arms.

Mrs. Majors, Janet Aufderheide, Carolyn Nierman, Dick Need, Dudley Miller, Marilyn Hohn, Nancy Sponsel, Wayne Van Fossen, Jan Zigler, June Ann Brown, and Gerry Richey.

Setting up type at Greenwood printing shop are Jane Nelson and Dottie Neel, editors. Among their many duties for the paper are helping to print it as they are doing here.

Sing, Everyone, Sing!

No one could forget the chorus singing for convocations under Mr. Hellman's leadership performing in operettas the Easter Sunrise Service the County Choral Festival state contests struggling with the robes at the last minute giving such fine entertainment

Has anyone forgotten the little bits of jazz that were slipped in between those strains of classical music? Such was the life of a member of the chorus.

The "Fritz Kreislers" At Work

Under Mr. Warble's directorship there were many activities in which the string ensemble participated that make us very proud of them. A few of these include programs for the P.T.A. and during the intermissions at class plays.

Best Foot Forward

Exciting were the lives of the snappy, high-stepping majorettes . . . the tricky routines . . . the frozen hands and legs at football games . . . the hard practice during fifth period . . . how they bravely twirled despite the players who refused to leave the floor . . . the frightening nervousness before contests and the extreme relief when they were over . . . yes, how proud we were of our majorettes.

Members of the ensemble were Carolyn Critchlow, Jody Haines, Margie Christie, Joyce Van Deman, Shirley Calaway, and Gayle Walters.

There was always such a military look about the color guard as they proudly carried the flags at football games . . . the silence as the flag was brought into view and the National Anthem was played . . . the struggle with the uniforms . . . and the way they made each formation complete.

Members of the color guard were Phyllis Martlidge, Gloria Hill, Linda Riley, June Vander Mulen, Dorothy Guthrey, and Claris Sutton.

Life Of The Faithful Tooters

The band was always loyal as it played at ball games and pep sessions under direction of Mr. Warble. Remember the practice during fifth period every day . . . the rush to put instruments away before the bell . . . the attempt to follow information at ball games . . . the problem of beating time . . . the hot, stiff uniforms . . . the dreaded solo and ensemble contests . . . the hard work and the long practices before concerts? We will never forget our conscientious band.

Seniors leaving the band are Joe Hawthorne, Herbert Korra, Shirley Marschke, James Fritz, Frank Gates, and Ralph Robertson.

Our Melody Makers

ORCHESTRA

The orchestra practiced diligently . . . playing during intermissions for class plays and operettas . . . worrying with formal skirts while trying to play . . . practicing the last, long hour sixth period before the final bell . . . running over the scale until it nearly drove them crazy . . . and how faithful both the band and orchestra were as they successfully provided music for all types of occasions.

Farewell adieu to seniors Herbert Korra, Joe Hawthorne, Shirley Marschke, Frank Gates, and Ralph Robertson.

Our Songbirds That Sang Us To Victory!

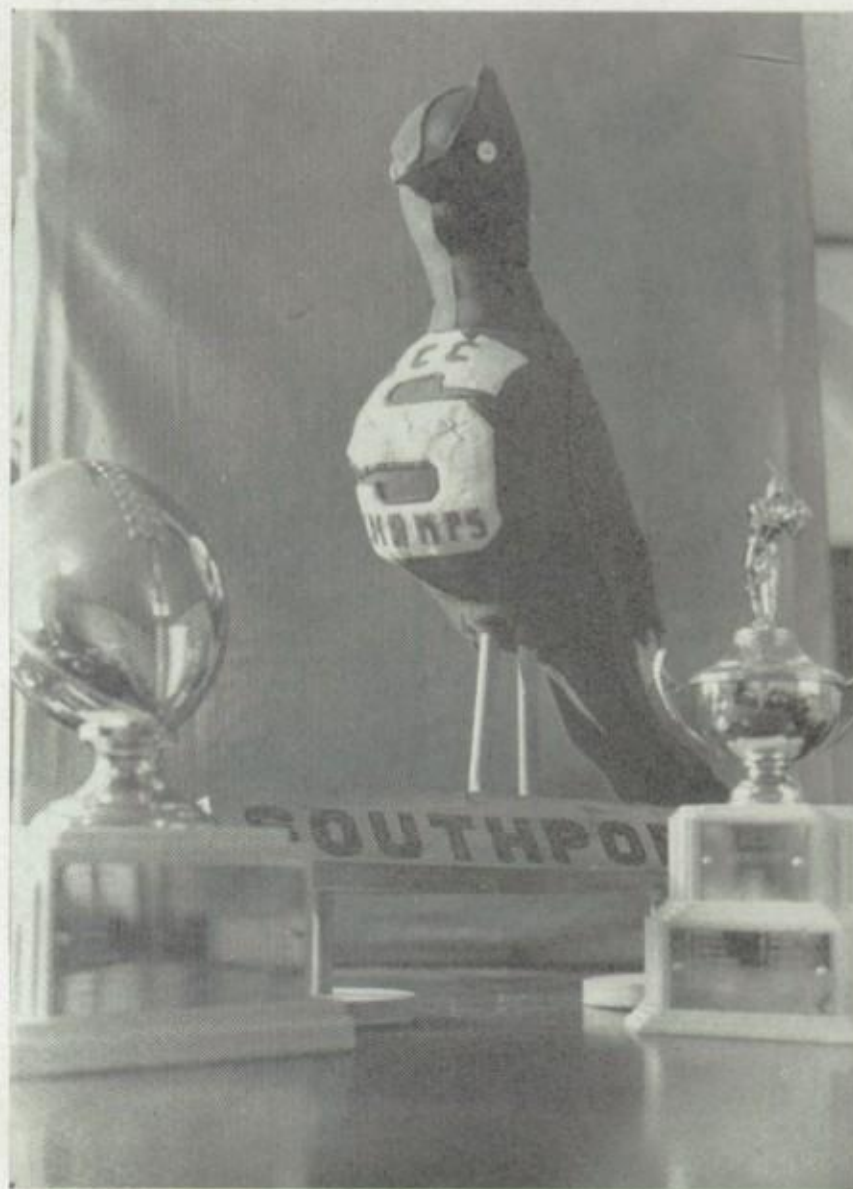

There were no sour notes for these eighteen pupils. They are Carol Jackson, Joann Marksbury, Mildred Ackerman, Joyce Ulrey, Nancy Webb, Molly Robinson, Shirley Reed, Shirley Calaway, Jody Haines, Margie Christie, Marvin Chilton, Evelyn Carpenter, Mary Lou Trotter.

Music Winners

Each year there are district contests held in which any musical student may participate. Pupils from all over the state gather to compete with each other in their district. It is an honor for any student to be awarded a medal for first place. Although the nervousness practically gets the participants down, the award and the fun and excitement make it a worth while affair.

OUR MASCOT

Christopher the Cardinal stands proudly in the trophy case with the two trophies that were received for winning the S. C. S. championships in baseball and football.

Don't Be A Drip! Buy An Anchor!!

This was the cry of the sales staff working for this year's Anchor. In this picture you see Jim Baker and Ronnie Baumgart selling the yearbooks during the lunch periods.

In Our Dramatic Moments

"Remember when we got make-up on our pretty formals?" How excited we were, afraid we would stumble on the stage! Yes, this is one of the happy, carefree moments of our life. At the top is a scene from the senior play, "Men Are Like Street Cars."

Pat Buckner, Glenn Hager, and Gene Wilson as they appeared in the "Pirates of Penzance."

The Life Of Our Actors

Shirley Reed and Glenn Hager played the lead in the operetta, "Pirates of Penzance."

The dramatics class this year gave two productions. One play was "Thanks Awfully," a comedy in one act. At the bottom is a scene from "Blue Beads." This was a serious play in one act. These plays were given at a convocation, and at P. T. A. meetings at many of the grade schools and here at the high school. They were also given for outside organizations. Every student in the dramatics class participated in these two productions.

Golf

For the first time in many years Southport had a golf team to represent the school in tournament play. Southport, a member of the South Central Conference, was invited to participate in the annual South Central Conference Golf meet held at Seymour, Indiana. -

The members of the golf team were Ronny Baumgart, Roy Watts, Jim Atkins, Bob Miller, and coach, Jewel Young.

The boys did well as golf was a new sport for most of the boys. They placed seventh in the S. C. C. Tournament.

The low score for the Cards went to Roy Watts with an 87, second low went to Ronny Baumgart with a 90, third place went to Jim Atkins with a 97, and fourth went to Bob Miller with 113 strokes.

"Thanks Awfully"

A scene from this production presented by the Dramatic Department.

Scrimmage Queen!

At the Football Dance this year Joan Eder and Bernie Williams were crowned scrimmage queen and king. Evelyn Carpenter and Roger Black represented the junior class. Susie Simon and Jim Williams were chosen from the sophomore class and Pat Young and Harry Beck were the representatives for the freshmen class.

G.A.A.

To promote better sportsmanship among the girls is the object of the G.A.A.

Something new added to the activities of this club, which is composed of sophomore, junior, and senior girls, is the Intramural Volleyball League. The Intramural Teams also played several other schools and participated in an all county play day held at Butler University.

Sponsoring the Football Dance, St. Patrick Dance, Spring Athletic Dance, a soc-hop, a Talent Show, and serving on the Christmas party committee has kept the officers busy. The officers for 1951—Margie Christie, President; Nancy Kortepeter, Vice President; Nancy Sponsel, Treasurer; and Eleanor Osborne, Secretary.

For membership in this club a girl must have one year of physical education. To get a medal she must have two years of physical education, belong to G.A.A. for three years, and must participate in seventy-five per cent of the activities.

Mrs. Lucille Miller is G.A.A. sponsor.

Yea! Rah! Rah! Rah!

When you think of sports, you naturally think of cheerleaders. Through the football and the basketball seasons, the five cheerleaders led the crowd in yells. Remember when it was cold and snowing during football season? The crowd still yelled for the team and the cheerleaders never gave up. Remember the double over-time in the Sectional Tourney? The cheerleaders were as tired as the players.

This year we have two new members on the squad. Dudley Miller, a senior, is the first boy to be with the cheerleaders for the last three years. Nancy Brown, a freshman, is also a newcomer. These two along with Marilyn Hohn and Jane Nelson, seniors; and Joyce Ulrey, a junior; made up the cheerleading squad for 1952.

Two of the cheerleaders, Marilyn Hohn and Jane Nelson, received letter sweaters this year. Marilyn has served on the squad for three years and Jane for four years.

FOOTBALL

“Our South Central Conference Champs”

Jack Morgan, in his first year as varsity football coach, led his team to the SCC Championship. This was the first year the football team was eligible to win the conference title as they did.

The champs weren't outstanding, but they had team balance which compensated for their greenness and their lack of ability. Jack Morgan was assisted by a very able backfield coach, Bill Friedenburger. Dick Weddle was elected the Captain of the team. Dick was unanimously selected for the guard position on the Conference team while Don Jones was on the all-Conference team in the end position.

Jack Wilson and Jim Baker were the Cards two chief offensive threats for the team, along with Carl Lasiter, who aided them in carrying their offensive burden. Jack Wilson led the Red Bird scoring followed closely by Jim Baker. Wilson had 48 points while Baker had 44. Mike Sweeney was second team All-Conference tackle, and Jack Wilson was second team fullback.

On the line were Bob Lively, Wayne Baker, Allen Freers, Delbert Wilsey, Don Litwiler, and Paul Kauffman. All of these boys will be on the varsity team next year.

Ray Linson's baseball team was the first to put a South Central Conference trophy in the school's trophy case. The team of 1951 tied Columbus for the Championship of the Conference. They also were the runner-up in the County race.

The diamondmen had a 13 win and 5 loss record for the season. They started the season on the ragged side by losing to Ben Davis in the opening game 9 to 0; and their second game, Columbus, 2 to 0.

The end of the season finished much better than the opening season had, for they capped off the season with five straight wins over the South Central Conference teams. The first Conference victim was Shelbyville 6 to 0 and a 12 to 2 victory over Rushville. Sandwiched in between these games were victories over Martinsville 4 to 1, Franklin 11 to 4, and Connersville 12 to 5.

Tech, a long time rival, beat the Cards 8 to 6, in a

game where all of Tech's runs were unearned.

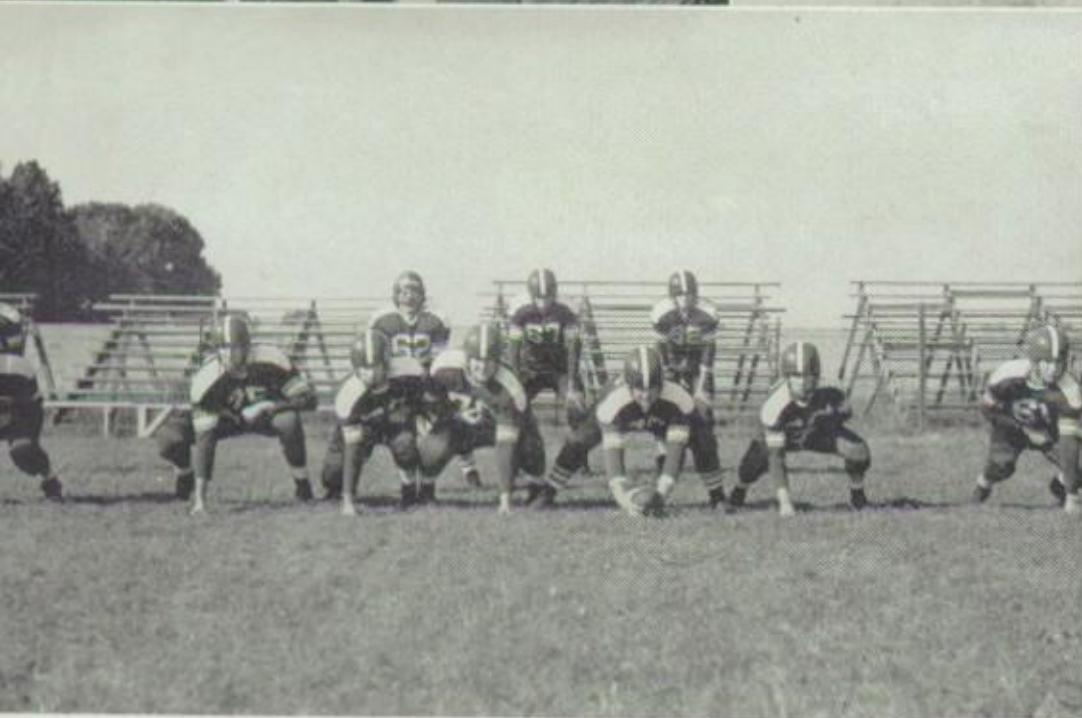

In the final game of the County play-offs the Cards were beat by a stubborn Ben Davis 4 to 3. The Cards led all the way until the final innings when the Giants rallied to win.

Joe Hawthorne was the leading pitcher with 8 wins and 2 losses. Jess Eiermann was the other pitcher who ended the season with 4 wins and one loss. Bob Weddle contributed the other victim for the Cards.

Jim Whitaker was the leading hitter with a .456 batting average followed closely by Tom Paddock who hit .421. Joe Hawthorne wasn't at the plate as much as the rest but while he was there, he hit the ball 16 out of 37 trips for a .432 batting average.

Jerry Danner the little second baseman hit the best of the infielders with a .344 average, and pre-

WRESTLING—INFORMAL

The returning State Champions had only three returning wrestlers who were back from the previous State Championship Team. They are from left to right: Ronny Baumgart who placed second in the State, Harry Rasdal who placed second in the State, Allen Morgan who placed third in the State Meet, and coach, Chauncey McDaniels.

TRACK

The track team looked better on the cinders than they did on paper. The team won only one of their track meets, but they placed third in the South Central Conference and County Meets.

Lee McGathey was the outstanding runner who won the most blue ribbons of anyone on the team. As he placed first in the County in the 100 yd. dash and the 200 yd. low hurdles. He got first also in the low hurdles and second in the 100 yd. dash in the South Central Conference meet. He again placed second in the low

hurdles in the sectionals. Lee likewise ran on the $\frac{1}{2}$ mile relay team that won the county, placed second in the S.C.C. and got third in the Sectionals.

"Red" Anderson was another outstanding trackman on the team. He placed second in the mile run in the County and in the S.C.C. He also received second place on the team for getting the next highest number of blue ribbons won.

Dick Ellis placed second in the 220 yd. dash in the County and ran on the $\frac{1}{2}$ mile relay team with McGathey, Ray Myers, and Roland Nerding.

This was the first year for Jack Morgan to coach a varsity sport. The Cards won their first track meet against Franklin Township, but they lost to Rushville; placed second in the triangular meets with Ben Davis, Pike Township, with Warren Central and Crispus Attucks. They, however, lost to Howe, Columbus and to Morton Memorial of Knightstown.

The 1952 track team starts without a single returning lettermen, although Jack Morgan is expected to go far with the team.

The members of the varsity wrestling team were: Donald Hinds, 97 lb. class; Allen Morgan, 105 lb. class; Harry Rasdal, 114 lb. class; Ronnie Baumgart, 122 lb. class, Ed Williams, 128 lb. class; Jerry Hughes, 135 lb. class; Cliff Griesmere, 140 lb. class; Richard Ashman, 147 lb. class; Carl Kink, 167 lb. class; Bill Edwards, 177 lb. class, and Dick Weddle, heavyweight.

WRESTLING

The 1951 State Championship Wrestling Team opened their season against the Muncie Central Bearcats, but lost the meet 22-17.

The defending champs had only 4 returning lettermen. They were Harry Rasdal, in the 97 lb. class who placed 2nd in the State Tournament; Allen Morgan in the 105 lb. class who placed 3rd in the State Tournament; Ronny Baumgart in the 114 lb. class who placed 2nd in the State Tournament; and Dick Weddle in the heavyweight division placed 3rd in the Sectional Meet.

The team was greatly handicapped because eight of the twelve varsity wrestlers graduated. For this reason inexperienced but conscientious wrestlers had to take their places on the squad.

INTRAMURAL VOLLEYBALL

The Intramural Volleyball teams are composed of 150 sophomore, junior, and senior girls. There are 15 captains of whom all are seniors except two that are juniors. The games are played after school and are placed into winning and losing brackets. A final game is played between the winning teams of each bracket. At the end of the season, two all-star teams are chosen from all of the girls and an all-star game is played.

INTRAMURAL BASKETBALL

During the Intramural Basketball season Ralph Robertson's Jets won the Intramural Championship by defeating the Graham Crackers by a score of 58-32.

In the All-Star game the All-Stars defeated the Jets by a score of 23-19. This game was played before the student body.

The members of the Jets were: Ralph Robertson, the captain, Don Jones, Jack Whalen, Devone Wetzal, Wayne Van Fossen, Phil Brown, Bob Royalty, and Austin Bond.

The members of the All-Stars were: Jim Macy, Lowell Lucas, Joe Hawthorne, Don Allen, Jim Camic, Paul Coomer, Tom Kegley, Lee Graham, Ron Mack, and Mac Cato.

Joe Portish received the Intramural Sportsmanship award. Jack Morgan, sponsor of Intramural, presented this award to Joe following the All-Star game.

Each member of the Jets and of the All-Stars received a medal for outstanding play.

ATHLETIC AWARDS

Dr. Meyer awards a trophy to the senior athlete with the highest scholastic grades. This award went to Bob Pence. Mr. Leedy gave the award at the G.A.A. Dance last year.

Every year awards are given to the outstanding athlete of each sport. The outstanding awards were: track, Lee McGathey; baseball, Tom Paddock; wrestling, John Hurrell; basketball, Roland Nerding; and the outstanding football award went to Jerry Grummell.

THE BOOSTER CLUB

The Booster Club is one of the largest organizations of the school. The officers of the club are: Ed Stabb, president, Don White, vice-president, and June Ann Brown, secretary. Mr. Kellam, the sponsor of the club, the officers, along with the cheer leaders, conduct a greater part of the business of the club.

It is the purpose of the club to supply cheer leaders, to boost all school activities, to organize the cheering sections for official events, and to co-operate with school officials for the betterment of the high school at large.

GIRLS SHARE WITH BOYS IN ATHLETIC AWARDS

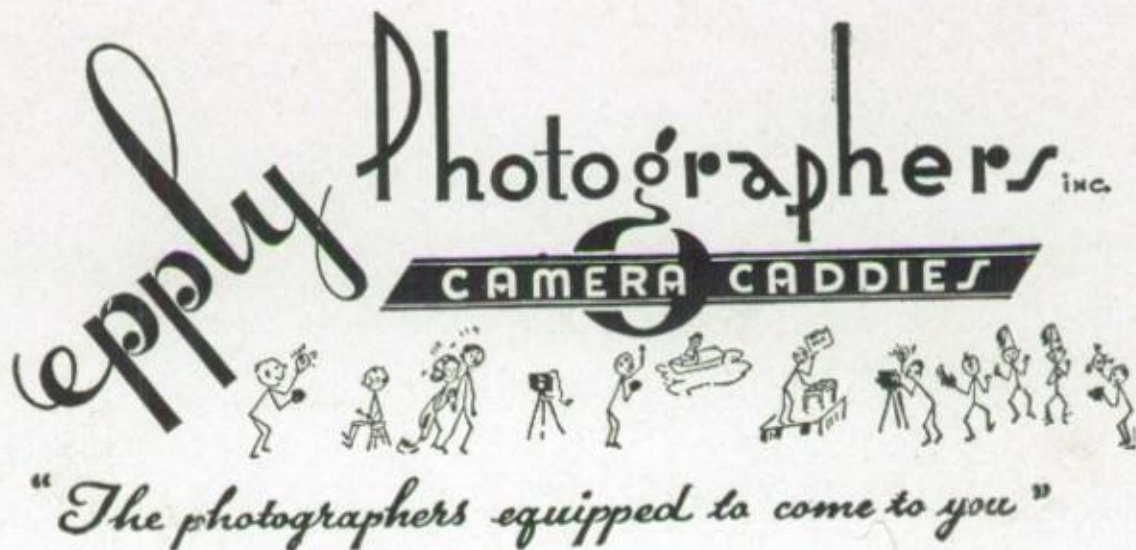

Dana Bailey was presented last year's Gamma Alpha Sigma award for the best G.A.A. girl athlete. Dana received scholarships to N.A.G.U. and Indiana University. Anita Williams and Ina Mae Kreitlein were

also given scholarships to N.A.G.U.

In this organization medals are also awarded to outstanding girls for three years' work in G.A.A. and two years of physical education.
